GALATA WAQWAYA

SOFTWARE ENGINEER

PROFILE

As a straight-A software engineering student at Haramaya University, I possess a diverse skill set and extensive experience in full-stack web development and machine learning. With a strong academic record and GPA of 4.0, I have honed my expertise in programming languages like C++, Java, Python, and PHP, as well as web frameworks such as Laravel, Bootstrap, and React JS. Through my internships, I have demonstrated the ability to work collaboratively to deliver complex projects on time and budget. Driven by a passion for innovation and learning, I am eager to leverage my technical prowess and problem-solving skills to contribute to the development of cutting-edge solutions.

WORK EXPERIENCE

Faris Technology
